Dunwoody Fine Art Month

Dunwoody Fine Art Month was created by the members of the Dunwoody Fine Art Association as a means of celebrating city-hood.

It was conceived as a series of exhibits throughout Dunwoody in places that one does not ordinarily expect to see art exhibited. These spaces are within businesses of all types and represent a microcosm of the city. The artists exhibiting are presenting two and three dimensional media, mostly drawing and painting on paper and canvas. All work is original artwork, and all work is for sale to viewers. Proceeds from the sale will benefit a selected organization in Dunwoody.

We urge you to take an Art Walk through Dunwoody to enjoy the collaboration that is Dunwoody Fine Art Month. All venues and artists are listed inside this pamphlet.
